UltraTape Acquires High Tech Graphics (HTG)

Wilsonville, OR, February 2, 2016 - UltraTape Industries, a division of Delphon and leading manufacturer of cleanroom tape, labels and custom adhesive material products, announced today that it has completed its acquisition of High Tech Graphics (HTG) of Sherwood, OR. HTG manufactures custom graphic overlays and provides material coating services to a wide range of industrial customers.

This complementary acquisition supports UltraTape's core business and growth strategy and will allow the company to expand its offerings to include both graphic overlays and material coating. HTG's integration into the UltraTape organization will allow the company to better service its growing customer base within the industrial, electronic and medical markets with a broader product portfolio.
